

SUCCEED Network – East African Higher Education Network on Sustainable and Energy Efficient Campus Development

Renewable Energy Workshop

Venue: University of Rwanda (Kigali, Rwanda) 3rd to 5th November, 2014

Main objective of this project meeting:

This project meeting comprises a workshop and a project coordination meeting. The main objective is as follows:

Act. 2.2. Renewable Energy Workshop

With a duration of 1,5 days the main objective will be a discussion of Renewable Energies and their presence in university curricula. This will lead into a series of e-courses developed on the topic of Renewable Energies for the Succeed Network platform.

The training session will be accompanied by a **Coordination Meeting (Act. 5.2.)** work day in order to review the work done in the project's first year by all the partners and plan the next steps.

Expected Results:

- Participants will get specific knowledge on Renewable Energies and begin preparing e-courses on the subject.
- A review of the work done in the first year of the project, as well as ongoing activities with clear identification of next steps, roles and expected outputs.

Methodology:

This project meeting will be conducted on a ppt basis with practical exercise involving actively all participants.

As a result of this project meeting, all presentations and a meeting report will be uploaded on the project extranet.

This project meeting will be conducted by the following UA staff members:

- Cristina Beans, as Project Manager of SUCCEED Network

This workshop will count with the participation of:

- Joaquin Silvestre, Professor at the University of Alicante with expertise in Renewable Energies
